

(Продолжение. Начало на 1-4-й стр.)

Table with 9 columns (1-9) and multiple rows of data for page 65. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 66. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 67. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 68. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 69. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 70. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 71. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 72. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 73. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 74. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 75. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 76. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 77. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 78. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 79. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.

Table with 9 columns (1-9) and multiple rows of data for page 80. Columns 1-4 contain codes, column 5 contains descriptions of projects, and columns 6-9 contain numerical values.
