

(Продолжение. Начало на 1—2 стр.)

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 153, 154, 155, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 4509.0. Column 6 contains values like 4509.0000. Column 7 contains values like 21401.0000. Column 8 contains values like 9. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 168, 169, 170, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 17667.0. Column 6 contains values like 17667.0000. Column 7 contains values like 7422.0501. Column 8 contains values like 42.0. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 182, 183, 184, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 8762.1. Column 6 contains values like 8762.10000. Column 7 contains values like 8762.10000. Column 8 contains values like 100.0. Column 9 contains values like 39.1.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 197, 199, 200, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 2195.0. Column 6 contains values like 2195.0000. Column 7 contains values like 10775.0000. Column 8 contains values like 30.1. Column 9 contains values like 43.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 211, 212, 213, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 10639.3. Column 6 contains values like 105118.23700. Column 7 contains values like 42328.2425. Column 8 contains values like 40.2. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 230, 231, 232, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 0.0. Column 6 contains values like 1221.83000. Column 7 contains values like 1221.81920. Column 8 contains values like 100.0. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 246, 247, 248, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 51320.7. Column 6 contains values like 51320.70000. Column 7 contains values like 11340.83730. Column 8 contains values like 22.1. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 260, 261, 262, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 3056.5. Column 6 contains values like 3056.50000. Column 7 contains values like 12799.51499. Column 8 contains values like 41.9. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 276, 277, 278, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 1000.0. Column 6 contains values like 1000.00000. Column 7 contains values like 0.00000. Column 8 contains values like 0.0. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 292, 293, 294, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 10325.5. Column 6 contains values like 10325.50000. Column 7 contains values like 29724.59820. Column 8 contains values like 38.3. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 306, 307, 308, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 180.0. Column 6 contains values like 180.00000. Column 7 contains values like 0.00000. Column 8 contains values like 0.0. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 317, 318, 319, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 1000.0. Column 6 contains values like 1000.00000. Column 7 contains values like 11.30000. Column 8 contains values like 1.1. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 330, 331, 332, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 1220.0. Column 6 contains values like 1220.00000. Column 7 contains values like 0.00000. Column 8 contains values like 0.0. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 345, 346, 347, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 320.0. Column 6 contains values like 320.00000. Column 7 contains values like 78.9120. Column 8 contains values like 24.7. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 361, 362, 363, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 2774.0. Column 6 contains values like 2774.00000. Column 7 contains values like 1007.5921. Column 8 contains values like 36.3. Column 9 contains values like 32.9.

Table with 9 columns (1-9) and 15 rows of data. Column 1 contains codes like 376, 377, 378, etc. Column 2 contains dates like 10/11/2014. Column 3 contains numbers like 410. Column 4 contains descriptions of activities. Column 5 contains values like 915.1. Column 6 contains values like 915.10000. Column 7 contains values like 93.59230. Column 8 contains values like 10.2. Column 9 contains values like 32.9.
